GARAGE DOOR OPENERS

Three Accessories for Total Access

LiftMaster® Universal accessories give you multiple ways to access your garage or gate—no matter what you're doing. With all three, there's a solution for every situation—whether you're in the car, on a bike ride or just out for a walk. Plus, every accessory is backed by a 1-year limited warranty so you can rely on them day in, day out.

2-Button Universal Remote Control 375UT

This visor clip remote is a convenient way to replace or consolidate your remotes.

Perfect for:

- Giving access to someone you trust
- Letting the kids in after school
- Biking, walking the dog or taking the motorcycle out

Mini Universal Remote Control 374UT

Our keychain makes getting in and out of your garage quick and easy.

Universal Keyless Entry 387LM

This keypad lets you get in and out of your garage with a simple 4-digit code that you choose.
